Dear Michał,

It is our pleasure to inform you that your abstract AmyloGram: a novel predictor of amyloidogenicity with submission number 452 has been accepted for a poster presentation at ECCB 2016.

You will receive additional information by email if you submitted your poster for one of the sub tracks (ELIXIR, Training or Applications).

You can find more information about the poster presentations on the poster presenter page: <http://www.eccb2016.org/programme/posters/>

You can register for the conference via: <https://www.eccb2016.org/registration/>. Please notice that the early bird registration deadline is 29 July 2016!

Please note that we will open a F1000 channel for the ECCB 2016! The channel will be online on July 22nd and open for your poster submissions. More information about this will be available on our website soon.

If you need an invitation letter to be able to obtain a visa or funding, please follow the following procedure:

- \* register for the conference: you can create your own visa or presentation invitation letter via the registration procedure, but you will have to register first;
- \* to get access to your invitation letter, please click the 'Modify Registration' link stated in the confirmation email that will be sent to you after finishing your registration;
- \* you will find a 'Letter of Invitation' button at the bottom of the page. Follow this and you will find a form that you should fill out, after which you will be able to print your invitation letter.

If for any reason you decide to withdraw your poster presentation, please let us know via [posters@eccb2016.org](mailto:posters@eccb2016.org).

We are looking forward to seeing you in The Hague!

Cheers,

Matti Nykter  
ECCB 2016 Poster chair
